POWERplus® Oryx
 Dynamo Flashlight
EMERGENCY HAMMER
 Seatbelt cutter

The POWERplus Oryx is the 'must-have' product for inside your vehicle.

In case of emergency, the hammer can break the glass of your car window easily, so you can leave the vehicle quickly.

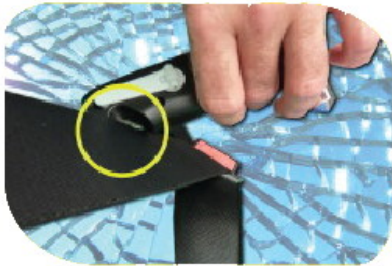

With the integrated seatbelt cutter, you can cut your seatbelt if you cannot open the seatbelt in the usual way.

The integrated dynamo flashlight gives you a powerful 3 LED light which can be used anytime, anywhere.

No batteries, just wind up the integrated dynamo to create energy for your light.
